Issue of the third tranche of Bonds

First Sentinel Plc ("First Sentinel" or the "Company") (NEX: FSEN), the alternative investment company focused on providing growth capital for public and private company investments, announces that it has raised AUD\$367,000 (GBP200,000) from the issue of 200,000 Bonds at GBP1 per Bond, being the third tranche of Bonds and it is anticipated that the Bonds will commence trading on NEX Exchange on or around 17 April 2018 under the symbol FSDN.

The Company announced on 1 February that it intends to issue up to GBP4,000,000 sterling denominated 7.0% Secured Bonds due 28 February 2023, to be admitted to trading on the NEX Exchange Growth Market. The Bonds are redeemable each year, and at a 5% premium if held to maturity, and Bondholders' interests will be partially protected by a credit insurance policy provided by Equinox Global, which will cover (subject to a GBP1 million aggregate cap per policy year) the risk of insolvency of certain underlying debtors of the Company's subsidiary, Perennial Enterprise PTY Ltd. Accordingly, the Company published the Information Memorandum in connection with the Bonds, a copy of which is available from the Company's website at www.first-sentinel.com. The application form can be found on <https://first-sentinel.nevilleregistrars.co.uk/>

The Company announced that it expects to issue the Bonds in tranches over the course of 2018 and intends to make an application for admission of the Bonds to trading on the NEX Exchange Growth Market as and when further funds are raised ("Admission"). The issue of this third tranche of Bonds brings the total Bonds in issue to 566,640. The Company will make a further regulatory news announcement at the point of any further Bond issue(s).
